STATEMENT ON USE OF CONFLICT MATERIALS

To General Cable Corporation, Inc. Customers,

Please be advised that General Cable Corporation, Inc. ("General Cable") has received confirmation from its tin suppliers that they have not obtained nor intend to obtain tin from the Democratic Republic of Congo ("DRC") or its partners. Should General Cable or its suppliers make any changes regarding the sourcing of our tin needs, we will ensure that all tin is not sourced from the DRC, or that such tin is DRC conflict free.

Should you have further questions regarding this statement, please do not hesitate to contact me.
